

Report on Introduction Session for 1st Year B. Tech CSE/AIIML/CYBER SECURITY/ DATA SCIENCE Students

Date: 26th July 2026

Venue: CB 105

1. Introduction

An introduction session was conducted for the newly admitted 1st year B.Tech Computer Science and Engineering students. The aim of the session was to welcome the students, motivate them, explain the importance of the CSE branch, inform them about academic rules and regulations, and answer their queries.

2. Objectives of the Session

- To welcome the students and make them feel comfortable in the new environment.
- To motivate students about their future in the field of Computer Science and Engineering.
- To explain the scope and career opportunities in CSE.
- To introduce the department, faculty members, and infrastructure.
- To clearly communicate the academic rules, attendance policies, code of conduct, and examination system.
- To interact with the students and address their doubts and concerns.

3. Session Highlights

- The session began with a warm welcome to all the students.
- A brief introduction was given about the B.Tech CSE program, its significance in today's technology-driven world, and the opportunities it offers.

- Students were encouraged to develop technical as well as soft skills, maintain discipline, and focus on both academics and personality development.
- Important rules and regulations regarding attendance, assignments, internal assessments, lab work, and examination procedures were explained.
- Code of conduct and proper classroom behavior were also discussed.
- The importance of time management, consistency, and active participation in academic and co-curricular activities was emphasized.

4. Interaction and Q&A

- An open Q&A session was conducted where students were encouraged to ask questions or express their concerns.
- Queries related to syllabus, subject selection, lab facilities, study resources, exam patterns, and project work were addressed.
- Students were assured of full support and guidance throughout their academic journey.

5. Glimpse of Session
